I'M ARIADNA

you and your story are my inspiration

Each couple is unique. That's why I believe the magic of photography lies in listening and connecting with the people I work with, capturing their uniqueness and naturally telling the emotions and moments that will last forever.

"When your passion is your job, you give your very best and bring enthusiasm and professionalism to every detail."

In my work, I've met wonderful people and stories. Together we make a great team: they live and enjoy the experience, and I, behind the camera, tell the story of their happiness through images of unrepeatable moments.

More than just a photographer, I will be a friend capturing your most special moments.

Tell me your story, and let's create memories that will last forever!

My Vision & Philosophy

To capture the essence and beauty of every special moment in my clients' lives and create memories that will last forever.

My philosophy is based on authenticity, connection, and professionalism. I listen and connect with my clients to reflect their uniqueness in every photograph.

Experience

By your side, from beginning to end.

In the simplest moments and the smallest details, I'll be there to pause time and create memories that will move you and allow you to relive that happiness over and over again.

My commitment is to make you feel comfortable and confident at all times so you can be yourselves and fully enjoy every moment. Before the big day, we'll talk in depth about your wishes and expectations so you can trust me and feel at ease knowing your story is in good hands.

WHEN YOU LOOK AT YOUR PHOTOS, YOU'LL BE ABLE TO RELIVE THOSE MOMENTS FULL OF EMOTION AND JOY, AND FEEL TIME STAND STILL FOR AN INSTANT.

”

"You are free
to be different."

Feeling in Images

Ariadna is understanding and attentive.

She didn't miss a single detail of the wedding. We barely noticed she was there. She knows how to capture the exact moment and guide you so the images tell your story.

She clearly sees the best angles for the photos and brings out the best of the event in every shot.

You end up really fond of her.

Diana & Gemi

Unbeatable

We are thrilled with Ariadna — she perfectly captured our style. She was very approachable and professional, making us feel completely comfortable and confident. On the wedding day, she kept us calm and helped us every step of the way. We chose both photos and video, and the quality was unbeatable. She delivered all the material very quickly, beautiful and personalized down to the smallest detail. We are so grateful for everything and recommend her 1000%. We hope to work with her again.

Thank you for being part of our big day!

Marta & Esmail

A great professional and an even better person.

She made everything so easy. Very sensitive to our needs and a pleasure to work with.

We have recommended her, and if we ever need someone again, we wouldn't hesitate to choose her.

A very sweet person who reflects that in her work.

Cristina & Toni

A very skilled professional, quick to show us the photos, and very flexible with timing.

She adapts to the conditions of each wedding and doesn't try to sell you any packages.

I recommend her.

Eli & Rubén

We trust her 100%.

A young woman with a passion for photography, she showed us a wedding album with other photos and we really loved the spontaneity of some shots and the natural poses of the couple.

We had to change the date because of Covid, and she didn't put up any obstacles.

She was super communicative and eager to work!

At the wedding, she had to wait at some moments and never once showed any frustration — quite the opposite, always happy and cheerful.

Sandra & Rubén

EXPERIENCE

THE PROCESS

01

Step 1: Let's Get to Know Each Other

A free consultation so you can get an idea of what it will be like working together. We'll talk about your dreams and vision and how we can make it all happen.

02

Step 2: Save the Date

We'll finalize your deposit and draft a contract detailing all the specifics of your wedding. You'll fill out a questionnaire that will help me organize everything.

03

Step 3: We Take Care of the Details

During your wedding planning, I'll be available to you at all times — from finding the perfect venue to fine-tuning every detail. Just an email away.

04

Step 4: THE WEDDING DAY

I'll be excited and ready to photograph your big day without missing a single moment. I'll pay attention to every special detail so you can fully enjoy your day.

05

Step 5: Preview & Delivery

Relive your big day all over again! I know you can't wait, so I'll send you 10–15 photos a couple of days after the wedding. A few weeks later... Pour some wine and get comfortable because here comes the final reveal. We'll connect so you can enjoy your slideshow and gallery.

FAQS

How can I book?

I offer flexible payment options. You can split the total amount into monthly payments up until the event date. To secure your booking, I require a signed contract along with the first payment. For photo sessions, a 50% deposit is required to reserve your date, with the remaining 50% due on the day of the session.

I accept bank transfers, Bizum, and cash.

I adapt to you to make your experience as comfortable as possible!

Do you deliver unedited original photos?

No, I don't. Editing is half the process—the magic behind the images—and without it, photos feel incomplete. I promise not to omit any photo you want or need, and if you think I've missed something, just ask! I'll gladly review my shots and send them to you. I won't let you miss a single memory!

When will we receive the photos?

It depends on the package you choose; editing time ranges from 2 to 4 weeks after the wedding. For any other sessions, you'll receive your photos within a maximum of 4 weeks.

Remember, you can skip the queue and get your photos within one week whenever you want.

We want to book! What are the next steps?

The next steps are to sign the contract and pay the deposit to reserve your date. Because of the time and individual attention I dedicate to each wedding, I limit the number of bookings per season to around 15–20. This way, every wedding I photograph gets the full focus and time it deserves.

SHALL WE TALK?

*I'm excited to hear your story and start
imagining your big day together.*
